

## WI ADVISOR

YOUR TOTAL SERVICE RESOURCE

### NEW: wiADVISOR PRICING WIZARD EXPRESS

According to our records, your dealership has not completed the Pricing Wizard. As billing is going to start shortly, we want to make sure that all steps of your installation process have been completed and you are utilizing wiADVISOR and all the benefits that come with this great tool.

**wiADVISOR Pricing Wizard Express** is a webinar session that includes an interactive phone call with one of our Pricing Wizard Experts. The session will cover pricing and DMS Op Code setup for: Factory Required Maintenance, Dealer Recommended Maintenance, Mopar Vehicle Protection Plans, Mopar TireWorks, Customer Concerns and Triage Items. To take advantage of the **wiADVISOR Pricing Wizard Express**, register by clicking on the preferred date and time below.

Once completed, you will receive an email confirming your registration with the necessary information needed to join the webinar.

**\*Please have your Parts Manager attend this webinar as Parts pricing strategies will be reviewed in detail.**

**CLICK HERE TO REGISTER**

Limit of 5 attendees per session.

#### Short on time or resources?

Pricing entry services are available for purchase. To learn more about this offered service or if you have any questions about your installation, please do not hesitate to call the wiADVISOR Support Team at 1-888-wiTECH-1 (888-948-3241) or email at [dashboard@dcctools.com](mailto:dashboard@dcctools.com).

Please ensure that you have ordered your tablets if you have not already done so.
